- A.** Flags - morning and evening.
- A.** And much more.

Question: We went last year, why should we go again?

- A.** Each Village is designed to provide a new and different experience based on the Village theme.

THE DETAILS

Question: Are meals provided at Cub Scout Adventure Camp?

A. All meals are prepared and provided in the Dining Hall by a professional food service company.

Question: Where do campers sleep?

A. Each Village provides enclosed sleeping quarters with wooden bunks or cots, with mattresses - you only need to bring sheets/blankets or a sleeping bag, and a pillow.

A. Wooden bunks, with mattresses, are in the Castle and Fort pods, and the High Seas ships.

A. Cots, with mattresses, are in Mountain Man tents.

A. Wooden bunks with mattresses in Native American.

Question: Do male and female leaders sleep in the same quarters?

A. No, male and female leaders will be placed in separate sleeping quarters (generally with their child and other Cub Scouts).

Question: What about toilet and shower facilities?

A. The Castle, Fort and High Seas have both indoor and covered outdoor flush toilet facilities.

A. Native American and Mountain Man have covered outdoor flush toilet facilities, with indoor flush toilet facilities available in the nearby dining hall/pool complex.

A. The Castle, Fort and High Seas have indoor shower facilities.

A. Native American and Mountain Man use shower facilities in the nearby dining hall/pool complex.

Question: Are medical staff available?

A. Certified medical staff is always available on-site.

Question: Is Cub Scout Adventure Camp regulated?

A. Cub Scout Adventure Camp is operated in accordance with New York State Health Department regulations for summer youth camps and National Boy Scout standards for resident camps.

FEES

Question: What is the fee?

A. \$115 per camper (youth and adult).

\$25 is due for each camper with the application; an additional \$45 is due on March 20, 2008; and the remainder of the fee must be paid by May 2, 2008.

Question: Are fees refundable?

A. Fees are not refundable. However, fees may be transferred to another new person (not someone who has already signed up).

Question: What if a Scout becomes ill or has to attend summer school?

A. Partial refunds will be considered for medical reasons or summer school. No refunds are given for playing sports. Medical cancellations will require a doctor's note; summer school cancellations will require a note from the guidance counselor or other school official. A cover note needs to accompany the doctor or school note detailing the Scout's name, village and session they were planning to attend. Phone number and address must also be on the cover letter. The \$25 initial deposit per person is NON-REFUNDABLE under any circumstance. After June 30, contract commitments increase the non-refundable fee to \$50 regardless per person of the reason for the cancellation.

Question: What if a Cub Scout cannot afford the fee?

A. Campership applications are available through Camping Department (241-8545) at the Scout Servicer. Campership awards are based on need. A Cub Scout who needs financial assistance is generally asked to pay at least one-half the fee through fund raisers (such as popcorn), personal or family resources, and/or the den or pack. Note: The fee is waived for a Cub Scout who sells more than \$595 of popcorn in the Council popcorn sale. This waiver is not transferable to an adult or another Cub Scout.

SIGNING UP

Question: When should we sign up?

A. As soon as possible because Villages fill up quickly for some sessions.

Question: When and where should we go?

A. The Pack Summer Camping Coordinator should pick one or two sessions and one or two Villages that will be the primary times and locations for the pack to attend.

Question: Why should the Pack Summer Camping Coordinator pick sessions and Villages?

A. One of the frequent barriers to sign up is difficulty in selecting a session or Village - sign up should be easier if the Coordinator makes the selection because Cub Scouts and parents will know they will be attending with others they know.

Question: How do we sign up?

A. The Pack Summer Camping Coordinator should sign up pack members, using the Registration Form for each family, and collect the initial fee for each camper.

SOLVING PROBLEMS

Question: What if I can't go with my pack or no one else from my pack can attend?

A. Come anyway. Cub Scout/parent teams often sign up separately from their pack because they cannot come to the session selected by their pack. As you may expect, they quickly become friends with other members of their Village. Some boys arrange to meet their new friends at the same session the following year.

Question: What if a Cub Scout wants to go, but his parent cannot go?

A. A great opportunity for a grandfather or other adult family member to go to Adventure Camp with the Cub Scout!!

A. The Cub Scout can also come with another adult who is approved by the Cub Scouts parent and the pack, subject to the adult to youth supervision requirement. The adult to youth supervision requirement is one adult for each four (4) youth in a Village.

Question: Can older and younger Cub Scouts go to the same Village?

A. Yes, while programs are generally oriented towards a certain age level in each Village, the Village and Program staff will make adjustments to program based on the ages of Cub Scouts attending the Village. However, the Mountain Man program is designed for 2nd year Webelos, so this Village should be restricted to that age group.

FOR MORE INFORMATION

Question: Where can I get more information about Cub Scout Adventure Camp?

A. Pack Summer Camp Coordinator.

A. Scout Service Center – Camping Department (241-8545).

A. E-mail camping@otetiana.org

A. Visit the Council web site - www.otetiana.org
