# 2010 Centennial Quality Commitment and Achievement for Council Award Interpretation of Criteria

*"To improve the QUALITY of program in every unit in America!"*

Use this information to guide your understanding of the criteria. The Centennial tab on MyBSA under the Program section helps monitor your progress towards achievement. Use actual numbers from the previous year to guide your improvement as you establish your goals. (If any of the criteria are at an agreed-upon number, then the goal might be to maintain them for this year.) Additional details and other resources in support of the Centennial Quality Awards program can be viewed by going to MyBSA, then clicking on Resources, and Council and District Operations.

**After you have completed the form, submit it to the area for recording and filing. The first page is the council copy; the second page is the area copy.**

1. **Centennial Quality Units.** At least 60 percent of the traditional units in the council qualified as national Centennial Quality Units this year. Note: New units organized during the year can also qualify for the award.
2. **New Units organized.** Establish a number of new units to be organized. Use the district new-unit charts and determine how many new units are needed to serve the youth population in the council.
3. **Membership or density growth.** Record membership growth of traditional members or an agreed-upon gain in traditional density, PLUS increase or maintain the number of Exploring members.
4. **Youth retention.** Using the retention figures from MyBSA, increase the total retention of youth members by the percentage your council and area leadership agreed upon.
5. **Finance.** Achieve a balanced 2010 operating budget. (Your 2010 operating budget should include a net result of excess of revenues over expenses by a specified amount.) The budget should be approved by the council and area leadership.
6. **Unit retention.** Establish a percentage of units to retain based on last year's retention rate. Work with all district commissioner staffs and establish a rechartering goal for the council.
7. **Commissioner service.** Add an agreed-upon number of new unit commissioners, increase unit visits per unit by commissioners to a specified number per year, and improve the ratio of commissioners to units.
8. **District committee.** Recruit an agreed-upon number of new district committee members to increase the average number of members per district over last year.
9. **Youth-serving executives.** Add a specified number of commissioned youth-serving executives based on your strategic plan, or maintain the strategic plan approved staff size.
10. **Endowment.** Have an active endowment committee. Secure a specified number of new endowment gifts this year.

**Additional goals.** When the area leadership meets with the council as a part of the **annual local council charter review meeting**, they will review other important items. These may include, but are not limited to: the council's long-range strategic plan, functioning Key 3s in every district, balanced growth, active risk-management committees, annual conferences with chartered organization leaders, and other important priorities.
